Student Conference 2024
December 29 – 31
DoubleTree Chesterfield, MO

The 'WHO'S WHO' and 'WHAT'S WHAT' of the Alive Student Conference 2024

Student Session Speaker

This year's conference speaker is well-known within the BMA: Missionary Mickeal Quillman. In 2019, Mickeal (also known as Quill) retired from youth ministry and began working at Temple Baptist Church in Jonesboro, Arkansas as an Executive Pastor.

In June 2021, Quill went to Livingstone, Zambia in Africa. While there, he felt God begin to stir in his heart to move and become a missionary. Once he arrived back in the United States, he spent time in prayer and fasting to determine if was God calling him and his wife to ministry or if their own hearts calling them to help.

Mickeal and his wife officially began the transition into full-time missions in September 2021 and moved onto the field in Zambia in August 2022.

Worship Leaders

Our worship team for this year's Alive Conference will be The Central Collective! The Central Collective is a gospel-centered worship band in central Arkansas. They met at Central Baptist Church in Conway, Arkansas. After playing as a group for a year, they realized the gifts God had blessed them with as well as the heart they had for leading people in worship and started The Central Collective.

Entertainment

TBD

Recreation

Recreation will be at the hotel this year! This includes racquet ball courts, basketball courts, and the swimming pool. We will also have knocker ball and other exciting games to play.

Medical Release Form

Each student must have a medical release form in case of accident or illness. Each church is responsible for collecting and keeping the medical releases for its own students.

REGISTRATION WITH BRO. BRAD

Cost “Registration Fee”

The cost of the conference this year will be **\$100.00 per person**. This includes a conference T-shirt, your registration fee and \$25.00 towards your hotel room. Obviously, your hotel room for 2 nights costs more than \$25.00. The Youth budget will cover the rest of the room. Thank you, Bethel Church!! This registration fee is **non – refundable**. The “non – refundable” refers to the registration fee for persons that are registered for the conference and then for whatever reason do not come to the conference. If inclement weather or something to that extent does not allow us to have a conference, we will refund all registration fees. Please pay by cash or make checks payable to Bethel Church and return in the envelope with your medical release form.

This **\$100.00** per person includes everything that is offered at the Alive Student Conference except for meals and anything the students want to buy for themselves. We will eat out 4 times during the conference. You will need to bring enough money “depending on how much you eat” to cover the 4 meals at fast food type restaurants. If you are a big breakfast person, you can eat breakfast at the hotel, but this is optional and usually expensive. I would recommend just bringing some breakfast bars. We will also probably go somewhere like a mall during some free time on the second day, so if you would like to buy something there you will obviously need your own funds for that.

If finances are keeping you from going to the conference, please come and talk to me. We have individuals that sponsor students and a youth budget that will allow you to go.

Medical Release Form

Every student **must** turn in a medical release form before you are considered registered for the conference.

Deadline

The deadline for returning your registration fee and medical release form is **December 1, 2024**. You may register after this time, but you may not get a conference T-shirt. This also creates a huge logistics headache for transportation and the number of sponsors, so everyone is encouraged to register **ON TIME**. **Please register as early as possible if you are going to the conference.**

Timeline for leaving and returning

We will meet at the church at 3:00 PM on December 29th and we will return on December 31st at approx. 2:00 PM. If you are picking your student up on the 31st, a call will be placed to you while we’re eating lunch on the approx. time we will arrive at church so that neither party will have to wait very long if the schedule gets adjusted beyond our control.
